| I.—Supreme Court of Judicature, England:  | £. s. d.            | £. s. d.                     | £. s. d.                      |  |
| Liability to Solicitors -                 | 2,764,744 1 10      | 482,845 15 9                 | 2,281,898 6 1                 | This liability represents money belonging to solicitors of the Court of Chancery and standing to their credit in the books of the Pay Office of the Supreme Court. Prior to 1869 such money was invested in Government Securities, and the interest was charged with the payment of the salaries, &c., and expenses of certain officers of the Court. In 1869, by the Act 32 & 33 Vict. c. 91, these charges were made payable out of the annual votes of Parliament, and the Government Securities representing the cash-book debt to solicitors were transferred to the National Debt Commissioners and cancelled in 1870; the Consolidated Fund being thenceforward made liable for any claims arising in respect of the said debt to solicitors. |
|   |                     |                              |                               | The nominal liability now remaining (£2,281,898 6s. 1d.), which includes certain losses by fraud or error affecting solicitors' money, for which the Consolidated Fund is contingently liable, is practically reduced to a considerable extent by the operation of investments of solicitors' cash not required for current payments under the provisions of the Court of Chancery (Funds) Act, 1872; the assets now represented by these investments being considerably in excess of the liability in respect of them.  |
| II.—Late Court of Bankruptcy, England:    |                     |                              |                               |  |

## PUBLIC LOANS.

THE accounts of the Local Loans, showing the amounts advanced, repaid, out standing, and lost, were given in the Finance Accounts down to the year 1891-92, inclusive. They were transferred in 1892-93 from the Finance Accounts to the Accounts relating to the Local Loans Fund. This transfer was made because when that fund was established in 1887 by the "National Debt and Local Loans Act, 1887" (50 & 51 Vict. c. 16), the Exchequer ceased to be directly concerned with loans to local authorities; and consequently the accounts relating to such loans belong more properly to the accounts of the Local Loans Fund than to the accounts of the Exchequer embodied in this volume.

There is, however, one loan outstanding which was made, not to any local authority, but to a Foreign Government, and consequently the liability for it was not assumed by the Local Loans Fund.

This loan, which was made to His Majesty the King of Sardinia, by virtue of the Acts 18 Vict. c. 17, and 19 & 20 Vict. c. 39, stood as follows on the 31st March 1902:—

\* In 1889-90 the Imperial Government erected Lighthouses in Fucus Straits and Esquimaux Harbour, undertaking one-half of the cost itself, while the Government of Vancouver Island undertook to repay the other half to the Imperial Government. The Government of Vancouver Island subsequently declined to meet its obligation. Vancouver Island afterwards entered the Canadian Union, and the Dominion Government has refused to recognise the obligation. This sum is, therefore, left outstanding, being due to the Imperial Government.

† The debt of 105,000£. was reduced by a sum of 904£. 12s. 10d., disbursed out of Colonial Funds, on account of the Imperial Government, for the expenses of the Western Pacific High Commission, up to 31st March 1899. Arrangements were made in 1892 for the repayment of the balance of the whole debt by F.M.I. to the Imperial Government by an annual instalment of 1 per cent. In 1894 a liability of 11,804£. 8s. 7d. in respect of the Land Claims Commission was written off by the Treasury, and the annual instalments which had been repaid in respect thereof were transferred to the credit of the earlier debt of 105,000£.

‡ This amount was voted as an advance to the Colony, on the understanding that it was not to bear interest, and was to be repaid in such instalments as, looking to the financial condition of the Colony, the Secretary of State might from time to time direct.

§ To be repaid by the Gold Coast Government in such instalments as, looking to the financial condition of the Colony, the Secretary of State for the Colonies may from time to time direct.

¶ This amount will be refunded by the Siam Government when the finances of the Island permit. The Governments of Siam and of the United States have each contributed one-third of the cost of the sales.

|| 50 of this sum such amount as was for expenditure in connection with the Concessions Commission is ultimately to fall on Transvaal Funds, as also will certain further expenditure in connection with the same Commission incurred in 1900-1, amounting to 257£. 14s. 8d.

‡ This amount will be repaid out of the proceeds of the first loans issued by the Colonies.

† This Loan is repayable by instalments within 30 years and to bear a charge of 4½ per cent. per annum for Interest on Principal outstanding.

‡ The Ceylon Government has undertaken to repay the Loan by an Annuity of 5 per cent. per annum for Interest and Sinking Fund to continue for 31 years. The advance was made from the Treasury Chest Fund in anticipation of a Vote of Parliament in 1900-1.
